

## Notice to all DIA Students

We seek special attention of all Daffodil International Academy students, to inform that, from the oncoming session of September, University of Greenwich and NCC Education will no longer accept Worldpay (**payments.nccedu.com**) fee submission anymore from 1st October, 2017.

As per the new NCC fee submission rules students can only pay through one of the following ways:

1. Telegraphic Transfer
2. Bank Drafts
3. Flywire (<http://www.nccedu.com/pay/>)

As you all know, previously, there has been a payment bounce owing to several transactions from a personal card that got blocked. Therefore, we request all DIA students to submit fee according to the above information.
