PROGRESS AS DAFFODIL INTERNATIONAL ACADEMY

Under the international degree pathway, Daffodil International Academy (DIA) is continuing its journey to provide graduate qualifications to students in collaboration with top-ranked UK universities. During its long tenure as the renowned institute Daffodil Institute of IT (DIIT) and now in its newer incarnation, DIA has produced a fairly vast number of IT graduates who are contributing equally in national and international professional arenas. In fact, many DIA graduates are successfully working in government organizations, top multinational companies and even in the United Nations (UN).

Though DIA is offering post-secondary degrees from top-ranked UK universities, the aim is to provide an affordable option for students to study in Bangladesh for the International Qualifications maintaining high academic excellence by implementing UK standards. As a result, with the UK standard education curriculum DIA has been able to establish a high quality global education for its students.

To retain quality education, DIA's collaborative partners closely monitor that instructors strictly implement prohibition on any academic plagiarism of student work in each individual module. Global exams are conducted at the British Council. Modules evaluated by instructors are reviewed and rechecked by the moderation team from collaborative partners and consecutive feedbacks are received from them with regards to the assessments of the instructors.

WHY CHOOSE DIA?

- ✓ **100%** job placement rate
- ✓ Distinguished with **“Academic Excellence”** award
- ✓ Achieved the first ever **“Preferred Partnership”** of NCC in Bangladesh and Presented with **“Best Partner”** Award
- ✓ Highly effective teaching staff with **20+ years’ experience** of delivering UK bachelor’s program
- ✓ **2000+** students transferred their credits to UK, CANADA, AUSTRALIA, GERMANY, USA and many other countries
- ✓ **Off-campus** graduates are awarded **identical certificates** as their **on-campus** counterparts
- ✓ DIA graduates are successfully working in government organizations, top multinational companies as well as at the **United Nations (UN)**
- ✓ Bachelor’s programme accredited by the **British Computer Society.**

OUR COLLABORATIVE PARTNERS

NCC education, UK is a global awarding body of quality education programmes in IT & Business ranging from foundation to postgraduate level. NCC Education provides the opportunity to gain internationally recognized British qualifications by studying locally at one of its Accredited Partner Centers, either through classroom or online.

The University of Greenwich (UoG) offers the best quality education. The Department of CIS of UoG within the Faculty FACH offers 14 undergraduate and postgraduate degree programmes off-campus at 25 Collaborations Centres and 3 Partner Colleges around the world. Students who study off-campus receive the same degree award bestowed by the UoG as students who study on campus at Greenwich.

BSc (Hons) in **Business Information Technology**

DIA is offering a three-year academic framework of BSc (Hons) in Business Information Technology in collaboration with University of Greenwich (UoG) and NCC Education, UK. NCC Education is a UK awarding body that works in partnership with accredited partners and universities to provide students with an affordable route to obtain UK university degrees in Business and IT. The qualifications are worldwide recognized by renowned universities, professional bodies and employers.
