Global	Introduction to Computer Science		2:30pm – 4:30pm

NCC Education Local and Global Examinations should be scheduled according to these principles:

- Global examinations will be scheduled in accordance with the dates and times published in the NCC Education Examination Dates document available to download from Connect web portal under section: *Activity Schedules and Examination Dates* or alternatively via the website: www.nccedu.com.
- Local examinations will be scheduled between 9.00am and 9.00pm during the local examinations assessment week published in the NCC Education Examination Dates document available to download from Connect web portal under section: *Activity Schedules and Examination Dates* or alternatively via the website: www.nccedu.com.
- A candidate may have two examinations in one day. Where candidates have more than one examination in a day, the total number of hours of examinations in any one day will not normally be more than four (i.e. if you have a 3-hour examination and 1-hour examination or two 2-hour examinations but not 2 x 3-hour examinations).
- Where candidates have an examination in the evening (i.e. finishing after 5.00pm), they will not have an examination before 9:00am the following morning.
- If candidates have two examinations on one day, the minimum period of time between examinations will be 90 minutes.
- Examinations will be conducted in accordance with the NCC Education **Instructions for Conducting Examinations** available at Connect web portal under section: *Useful Operational Documents* or alternatively via the website: www.nccedu.com.
