Wednesday	23 November 2022	9:00am – 11:00am	Introduction to Computer Science	L3DC, L3IFDHES

NCC Education Local and Global Examinations should be scheduled according to these principles:

- Global examinations will be scheduled in accordance with the dates and times published in the NCC Education Examination Dates document available to download from the Candidate Registration Portal (<https://portal.nccedu.com>) under section: *Content > Activity Schedules & Exam Dates Documents*.
- Local examinations will be scheduled between 9.00am and 9.00pm during the local examination's assessment week published in the NCC Education Examination Dates document available to download from the Candidate Registration Portal (<https://portal.nccedu.com>) under section: *Content > Activity Schedules & Exam Dates Documents*.
- A candidate may have two examinations in one day. Where candidates have more than one examination in a day, the total number of hours of examinations in any one day will not normally be more than four (i.e. if you have a 3-hour examination and 1-hour examination or two 2-hour examinations but not 2 x 3-hour examinations).
- Where candidates have an examination in the evening (i.e. finishing after 5.00pm), they will not have an examination before 9:00am the following morning.
- If candidates have two examinations on one day, the minimum period of time between examinations will be 90 minutes.
- Examinations will be conducted in accordance with the NCC Education **Instructions for Conducting Examinations** available for download via the website (<https://www.nccedu.com/>) under section: *Policies and Procedures*.
