Notes:

- The Activity Schedule and Exam Timetable are available via **NCC Education Candidate Registration Portal**.
- **NCC Education Examinations should be scheduled according to these principles:**
 - Global examinations must be scheduled in accordance with the dates and times published in the Exam Timetable.
 - A candidate may have two examinations in one day. Where candidates have more than one examination in a day, the total number of hours of examinations in any one day will not normally be more than four hours (i.e. if you have a 3-hour examination and 1-hour examination or two 2-hour examinations but not 2 x 3-hour examinations).
 - Where candidates have an examination in the evening (i.e. finishing after 5:00PM), they will not have an examination before 9:00AM the following morning.
 - If candidates have two examinations on one day, the minimum period of time between examinations will be 90 minutes.
 - Examinations must be conducted in accordance with the **NCC Education Examination and Assessment Instructions** available on the NCC Education website (<https://www.nccedu.com/>) for Centres to download: **Homepage > About Us > Policies & Procedures**.
